

“SAPIENZA” UNIVERSITY OF ROME

Academic Year 2008/2009

GENERAL PROGRAMME OF STUDIES (Courses with system as provided for by M.D. 270/2004)

CONFEDERATE UNIVERSITY OF HEALTH AND PUBLIC POLICIES SCIENCE (SPPS)		
FACULTY OF POLITICAL SCIENCES <i>(this section includes only the courses reformed by the Ministerial Decree 270/2004, the courses that maintained the system as provided for by the Ministerial Decree 509/1999 have been listed in the Programme issued)</i>		
Free access degrees		
<i>n.</i>	<i>Class</i>	<i>Name</i>
1	L -16	Administration and Organisation Sciences
2	L -33	International Economic Relations
3	L -36	Political sciences and international relations (Rome campus)
4	L -36	Political sciences and international relations (Pomezia campus)
Free access magister degree		
<i>n.</i>	<i>Class</i>	<i>Name</i>
1	LM -52	International Relations
2	LM -56	Economic Analysis of International Institutions
3	LM -62	Sciences of Politics
4	LM -63	Sciences of Public Administration
5	LM -90	European Studies
University Master Degrees <i>(programmed-access courses established through the issuing of single competition announcements)</i>		
First level Master Degrees		
1	Election campaigns and political events	
2	Languages for public and health policies (establishment underway)	
Second level Master Degrees		
1	Energy and environmental risk management (inter-university) (interfaculty with Engineering)	
2	Geopolitics and global security	
3	European parliamentary institutions and constitutional history	
4	Cultural-linguistic mediation	
5	International tax planning	
6	Public Policies and Health Management (interfaculty with Pharmacy and Medicine and Surgery I e II)	
7	International human rights protection	
CONFEDERATE UNIVERSITY OF HUMANITIES, LEGAL AND ECONOMIC SCIENCES		
FACULTY OF ECONOMICS <i>(this section includes only the courses reformed by the Ministerial Decree 270/2004, the courses that maintained the system as provided for by the Ministerial Decree 509/1999 have been listed in the Programme issued)</i>		
Free access degrees		
<i>n.</i>	<i>Class</i>	<i>Name</i>
1	L-18	Business Administration
2	L-18	Bank, Insurance and Financial Markets
3	L-18	Economics and Business (Rome campus)

“SAPIENZA” UNIVERSITY OF ROME

Academic Year 2008/2009

GENERAL PROGRAMME OF STUDIES (Courses with system as provided for by M.D. 270/2004)

4	L-18	Economics and Business (Civitavecchia campus)
5	L-18	Economics and Business (Pomezia campus)
6	L-18	Business Management
7	L-18	Management & Enterprise's Law (Latina campus)
8	L-33	Economics
9	L-33	Tourism and resources economics
Free access magister degrees		
n.	Class	Name
1	LM -16	Advanced Finance and Insurance
2	LM -56	Economics and Institutions of European and International Integration
3	LM -56	Advanced economics
4	LM -56	Global economy and governance
5	LM -76	Analysis and management of tourism and resources
6	LM -77	Advanced Business Administration
7	LM -77	Financial Markets and Risk Management
8	LM -77	Economics, Finance, Enterprise's Law (Latina campus)
9	LM -77	International Business and Innovation Management
10	LM -77	Technology, certification and quality
University Master Degrees (programmed-access courses established through the issuing of single competition announcements)		
First level Master Degrees		
1	Local agents for development (M.A.S.L.O) - Latina campus	
2	Law and innovation of aerospace businesses (D.I.A.S.) – Latina campus	
3	Economics and management of tourism	
4	Economics and politics in Middle East countries (establishment underway)	
5	European law and economics (establishment underway)	
6	Film art management (F.Ar.M.) – cinema and art business management

8	Banking, insurances and brokerage financial management	
9	Public administration innovative management (MA.G.I.P.A.) – Latina campus	
10	International policies and crisis management (international)	
11	Marketing management	
12	Mediterranean and Arab finance and banking	
13	Non – Farm Activities and Rural Development in Developing Countries	
Second level Master Degrees		
1	Insurance risk management analyst A.R.M.A.	
2	International Business Law	
3	Public Economics – Programme A: Welfare and public administration management	
4	Public Economics – Programme B: Economics and health services management (interfaculty with Medicine and Surgery II)	
5	European business	
6	Gender in human development: a multidisciplinary analysis of women's work for changing development policies and practices (interfaculty with Engineering)	
7	Quality systems, environment and safety control and management	
8	Brokers, issuers and financial markets	
9	Development and cohesion policies and public investment assessment (through partnership with Tor Vergata and Roma III)	
10	State management and humanitarian affairs (international)	
11	European Studies and International Relations	
12	Technologies and management of communication networks	

“SAPIENZA” UNIVERSITY OF ROME

Academic Year 2008/2009

GENERAL PROGRAMME OF STUDIES (Courses with system as provided for by M.D. 270/2004)

FACULTY OF LAW <i>(this section includes only the courses reformed by the Ministerial Decree 270/2004, the courses that maintained the system as provided for by the Ministerial Decree 509/1999 have been listed in the Programme issued)</i>		
Single course magister degrees with evaluation test to assess the knowledge		
n.	Class	Name
1	LMG/01	Law
University Master Degrees (programmed-access courses established through the issuing of single competition announcements)		
Second Level Master Degrees		
1	Personal rights and new technologies	
2	Labour and social security law	
3	Minor Law (interfaculty with Psychology 1)	
4	Environmental Law	
5	Computer science law and rule of law theory and practice	
6	European private law	
7	Tax Law "Gian Antonio Micheli"	
8	Legal profession discipline, practices, right protection, deontology and praxis (establishment underway)	
9	Institutions and financial markets: Law, Economics and Finance (interfaculty with Statistics)	
10	Public Administration organisation and functioning	
11	Security Science	
12	Theory and Praxis of legal institutions	
Specialisation Schools (programmed-access courses established through a competition announcement provided for by a Ministerial Decree that annually authorises their activation and for each course posts numbers and scholarships available)		
1	Legal professions	
FACULTY OF PSYCHOLOGY II <i>(this section includes only the courses reformed by the Ministerial Decree 270/2004, the courses that maintained the system as provided for by the Ministerial Decree 509/1999 have been listed in the Programme issued)</i>		
Programmed-access Degrees		
n.	Class	Name
1	L -24	Psychological Sciences
2	L -24	Foundations of psycho-social research
Programmed-access magister degrees		
n.	Class	Name
1	LM -51	Psychology of work and organisations
2	LM -51	Psychology of Communication and Marketing
3	LM -51	Health, Community and Clinical Psychology
4	LM -51	Psychology of development, education and well-being
University Master Degrees (programmed-access courses established through the issuing of single competition announcements)		
Second Level Master Degrees		
1	Museum organisation and Art management psychology	
2	Legal and security Psychology	

“SAPIENZA” UNIVERSITY OF ROME

Academic Year 2008/2009

GENERAL PROGRAMME OF STUDIES (Courses with system as provided for by M.D. 270/2004)

3	Applied positive Psychology (inter-university)	
4	System and organisational contexts evaluation	
CONFEDERATE UNIVERISTY OF SCIENCE AND TECHNOLOGY (AST)		
FACULTY OF PHILOSOPHY <i>(this section includes only the courses reformed by the Ministerial Decree 270/2004, the courses that maintained the system as provided for by the Ministerial Decree 509/1999 have been listed in the Programme issued)</i>		
Programmed-access Degrees		
n.	Class	Name
1	L -19	Education and training
Degrees with evaluation test to assess the knowledge		
n.	Class	Name
1	L -5	Philosophy
2	L -5	Philosophy and Knowledge
Programmed-access magister degrees		
n.	Class	Name
1	LM -85	Pedagogy and training
Free access magister degrees		
n.	Class	Name
1	LM -78	Philosophy and history of philosophy
2	LM -78	Philosophies of Knowledge: Sciences, Politics, Communication
3	LM -78	Philosophy and Theoretical-Critical Studies
University Master Degrees (programmed-access courses established through the issuing of single competition announcements)		
First level Master Degrees		
1	Digital Philosophy	
Second level Master Degrees		
2	Practical Ethics and Bioethics (interfaculty with Mathematical, Physical and Natural Sciences)	
FACULTY OF ENGINEERING <i>(this section includes only the courses reformed by the Ministerial Decree 270/2004, the courses that maintained the system as provided for by the Ministerial Decree 509/1999 have been listed in the Programme issued)</i>		
Degrees with evaluation test to assess the knowledge		
n.	Class	Name
1	L -7	Environmental, Landscape and Resources Engineering (Latina campus)
2	L -7	Environmental Engineering
3	L -7	Civil Engineering
4	L -7	Transportation Engineering
Free access magister degrees		
n.	classe	Denominazione
1	LM -22	Chemical Engineering
2	LM -23	Civil Engineering
3	LM -23	Transportation Systems
4	LM -26	Safety Engineering

“SAPIENZA” UNIVERSITY OF ROME

Academic Year 2008/2009

GENERAL PROGRAMME OF STUDIES (Courses with system as provided for by M.D. 270/2004)

5	LM -30	Energetics Engineering
6	LM -31	Management Engineering
7	LM -32	Computer Engineering
8	LM -35	Engineering for Environmental Protection and Territorial Planning
9	LM -35	Environmental and Sustainable Development Engineering (Latina campus)
10	LM -53	Industrial Nanotechnology Engineering
University Master Degrees (programmed-access courses established through the issuing of single competition announcements)		
First level Master Degrees		
1	Electro-magnetic compatibility and environmental impact of electromagnetic fields	
2	Pollution and environmental protection management	
3	Private and public directive and coordination functions management in energy and environment fields	
4	Public administration and business management for sustainable development	
5	Environmental safety and protection of the Mediterranean	
Second level Master Degrees		
1	Vibration analysis and control for civil and industrial applications	
2	Hospital architecture, technology and organisation	
3	Development Cooperation and Planning	
4	Eco-design and civil work management	
5	Energy efficiency and renewable energy sources	
6	Energy and environmental risk management (inter-university) (interfaculty with Political Sciences)	
7	Gender in human development: a multidisciplinary analysis of women's work for changing development policies and practices (interfaculty with Economics)	
8	Technology management in network services	
9	The new local body technical manager	
10	Engineering of the polymerisation processes and polymeric materials	
11	Emergency Engineering	
12	Infrastructure and Railways System Engineering	
13	Engineering and quality management	
14	Management of materials and related complex systems	
15	Energy and Environment Management	
16	Hydro geological risk mitigation (interfaculty with Mathematical, Physical and Natural Sciences)	
17	Technology and monitoring for reclamation of polluted sites (interfaculty with Mathematical, Physical and Natural Sciences)	
18	Small-scale designs. Landscape, cultural heritage and cities sustainability	
19	Restoration and preservation of historical buildings	
20	Security and Protection	
21	Space transport systems	
22	Integrated water systems development and management	
23	Multimedia techniques	
24	Technologies for micro and nano-electronics	
25	Seismic-environmental risk reduction, assessment and control (interfaculty with Mathematical, Physical and Natural Sciences)	
FACULTY OF PSYCHOLOGY I (The educational Offer of this faculty has been entirely re-designed as provided for by the Ministerial Decree 270/2004)		
Programmed-access Degrees		
n.	Class	Name
1	L -24	Psychological sciences and techniques of Clinical Evaluation in Infancy, Adolescence and Family

“SAPIENZA” UNIVERSITY OF ROME

Academic Year 2008/2009

GENERAL PROGRAMME OF STUDIES (Courses with system as provided for by M.D. 270/2004)

2	L -24	Psychological sciences and techniques for the Analysis of Psychological Processes of Development and Health
3	L -24	Psychological sciences and techniques of Clinical Intervention in Person, Group and Institution
4	L -24	Psychological techniques for the study of Cognitive Processes and the Assessment of Cognitive Deficits
Programmed-access magister degrees		
n.	Class	Name
1	LM -51	Psychological Intervention and Psychological Models for Development and Aging
2	LM -51	Cognitive Neurosciences and Psychological Rehabilitation
3	LM -51	Clinical Psychology for Person, Organisation and Community
4	LM -51	Clinical Psychology and Health Protection
5	LM -51	Dynamic and Clinical Psychology of Infancy, Adolescence and Family
University Master Degrees (programmed-access courses established through the issuing of single competition announcements)		
Second level Master Degrees		
1	Minor Law (interfaculty with Law)	
Specialisation schools (programmed-access courses established through a competition announcement as provided for by Ministerial Decree that annually authorises their activation and posts the numbers)		
1	Neuropsychology	
2	Clinical Psychology	
3	Health Psychology	
4	Psychological evaluation and counselling	
FACULTY OF MATHEMATICAL, PHYSICAL AND NATURAL SCIENCES (this section includes only the courses reformed by the Ministerial Decree 270/2004, the courses that maintained the system as provided for by the Ministerial Decree 509/1999 have been listed in the Programme issued)		
Free access degrees		
n.	Class	Name
1	L -30	Physics
2	L -30	Physics and Astrophysics
3	L -32	Environmental Sciences
4	L -32	Natural Sciences
Free access magister degrees		
n.	Class	Name
1	LM -60	Naturalistic preservation and diffusion
2	LM -60	Marine Sciences
3	LM -75	Environmental Monitoring and Recovery
University Master Degrees (programmed-access courses established through the issuing of single competition announcements)		
First level Master Degrees		
1	Biotechnological applications and controls	
2	Biology in journalism and political-institutional relations	
3	Risk evaluation methods in working places	
4	Systems and Computer network safety for businesses and public administration	

“SAPIENZA” UNIVERSITY OF ROME

Academic Year 2008/2009

GENERAL PROGRAMME OF STUDIES (Courses with system as provided for by M.D. 270/2004)

Second level Master Degrees		
1		Chemical analysis and quality control
2		Environmental Bio-monitoring
3		Bio-informatics: biomedical and pharmaceutical applications (interfaculty with Medicine and Surgery and Pharmacy)
4		Scientific Calculation
5		Animal biodiversity preservation: protected sites and ecologic nets
6		Landscape ecology and environmental planning
7		Practical ethics and Bioethics (interfaculty with Philosophy)
8		Computer Science safety management for business and public administration
9		Hydro geological risk mitigation (Interfaculty with Engineering)
10		Technology and Monitoring for the reclamation of polluted sites (Interfaculty with Engineering)
11		Natural Organic Substances (interfaculty with Pharmacy)
12		Seismic-environmental risk reduction, assessment and control (Interfaculty with Engineering)
Specialisation schools: <i>the educational offer of the specialisation school will be communicated on the Ateneo web site after the Ministry has made the proper decision concerning the applicable teaching system, not made yet when this Programme of Studies has been issued.</i>		
FACULTY OF STATISTICS <i>(this section includes only the courses reformed by the Ministerial Decree 270/2004, the courses that maintained the system as provided for by the Ministerial Decree 509/1999 have been listed in the Programme issued)</i>		
Free access degrees		
n.	Class	Name
1	L -41	Statistics, Economics, Finance and Insurance
2	L -41	Statistics, Economics and Society
3	L -41	Statistics for management
Free access magister degrees		
n.	Class	Name
1	LM -82	Statistics and decision sciences
2	LM -82	Statistical sciences for strategic management
3	LM -82	Statistics and Economics
4	LM -82	Statistical sciences, population and society
5	LM -83	Actuarial and Finance Sciences
University Master Degrees <i>(programmed-access courses established through the issuing of single competition announcements)</i>		
First level Master Degrees		
1		Public activities evaluation
2		Statistics for information system management
3		Studies on European integration processes (IntegrEurope)
Second level Master Degrees		
1		Data intelligence and decision-making strategies
2		Social research sources, tools and methods
3		Sustainable mobility management
4		Institutions and financial markets: Law, Economics and Finance (interfaculty with Law)

“SAPIENZA” UNIVERSITY OF ROME

Academic Year 2008/2009

GENERAL PROGRAMME OF STUDIES (Courses with system as provided for by M.D. 270/2004)

CONFEDERATE UNIVERSITY OF HUMANITIES, ARTS AND ENVIRONMENT		
FACULTY OF ORIENTAL STUDIES <i>(this section includes only the courses reformed by the Ministerial Decree 270/2004, the courses that maintained the system as provided for by the Ministerial Decree 509/1999 have been listed in the Programme issued)</i>		
Free access magister degrees		
n.	Class	Name
1	LM -36	Oriental Languages and Cultures
Specialisation schools <i>(programmed-access courses established through a competition announcement as provided for by Ministerial Decree that annually authorises their activation and posts the numbers)</i>		
1	Archaeological heritage (interfaculty: Literature and Philosophy, Humanities, Oriental Studies)
